- d) The final place of the SENIOR teams is indifferent.
- e) At scoring, the result of the 4 main categories will be considered: Creativity of design and the 3 physical races (long-distance, arcade and acceleration).
- f) The final score of the university is the SUM of the given points.

Awards on the **XII. International AVENTICS™ Pneumobile Competition** in 2020:

Main Prize: The university with the highest score wins an **AVENTICS™ Voucher** for 1.000.000 HUF (gross value), which can be used in two ways:

- a) Purchasing products from Aventics Hungary Kft. (products can be selected optionally, for educational and/or R&D purposes, independent from the components used for building a vehicle for the Pneumobile Competition)
- b) We transfer the money with predetermined conditions.

Challenge Cup: The cumulated result of the last 3 years will be calculated for determining the owner of the Challenge Cup. The last year's result will be considered doubled weighted
