1 General description of the Gala Event

1.1 Announcement

Emerson is excited to announce the 2022 Pneumobile Gala Event in Central Eastern Europe for Pneumobile Teams who has participated in the past two years' virtual Pneumobile Competitions.

Official event name: **Emerson's AVENTICS™ Pneumobile Gala Event CEE 2022** (later referenced as Gala Event)

Date: **28th-29th September, 2022** (Wednesday-Thursday)

Place: **Gokart Hotel & Restaurant Kecskemét, Hungary**

1.2 Participation

The teams for the Gala Event can consist up to **4 people (1 captain + 3 member) and a supporting professor** whose accommodation is funded by Emerson during the two days event. There are no restriction to student status of the team members. Teams can welcome students who have not participated the Pneumobile Competition before.

All teams need to be supported by a **professor or tutor of the university/college**, who is the **official representative of the institution** during the preparations and is being present during the Gala Event.

Maximum number of teams able to participate on the Gala Event is 20. Teams registering after the is cap reached will be put on a waiting list.

1.3 Vehicles

Teams must use their **existing pneumobile vehicles** built for the XIII. or XIV. Pneumobile Competition (2020-2021). Each vehicle **must adhere to the technical documentation accepted during the XIII. or XIV. Pneumobile Competition.** Emerson will not fund new components for vehicle reconstruction for the Gala Event.

Vehicles should be constructed and set up in accordance with the rules included in Contest Rules Chapter 1, **with special attention to the safety regulations.** You can download the Contest Rules [here](#).

Vehicles unable to adhere to the safety rules and Teams not passing the safety exam will not be allowed to race on the Gala Event.
